We have a long-time partnership with Tsinghua University since 1991. The course requires students to spend 5 weeks at Tsinghua University at the end of the Second Year. It includes intensive Putonghua course, seminars on topics related to current issues in China, and field visits to remarkable places.

我們和清華大學由1991開始合作交流活動。學生在二年級暑假到北京清華大學為期約五星期研習，活動包括進階普通話課程、中國當今議題研討會、實地考察著名地點等。

Students can make use of the university's network and the Faculty of Social Sciences' 'one-semester off' initiative to engage in a wide range of internship, exchange and service-learning experiences in China, other Asian cities or even other cities in the world. 學生可透過大學和社會科學院參與中國及其他亞洲城市，甚至全球其他地方的實習、交流和服務學習活動。

The Summer Sojourn in Europe allows students to understand Europe's various social, economic ties to China and how these ties shape the globalisation of China. 歐洲暑期研習班透過在歐洲地區社會經濟等方面考察，讓學生了解其與中國的關聯性和這些關係如何塑造中國全球化的過程。
