① "Bachelor of Chinese Medicine" is a general programme and "Bachelor of Science in Biomedical Science" is an honours programme.

② One elective must be Biology or Chemistry.

③ One elective must be Chemistry.

④ The programme is co-offered by the Faculty of Science and the School of Business.

⑤ The programme is offered by the School of Creative Arts.

⑥ The programme is offered by the Faculty of Arts and Social Sciences.

⑦ This is an individualised pathway programme. The programme is housed in and coordinated by the Division of Transdisciplinary Undergraduate Programmes, the Institute of Transdisciplinary Studies.

⑧ New transdisciplinary programme to be offered from 2025 entry. Subject to the University's approval.

# Transdisciplinary Second Majors / Second Majors\*

The University envisions the importance of transdisciplinary innovations in response to the global challenges and offers a flexible curriculum structure that is much more agile and fits the present and yet-to-known future needs.

Students will have the opportunity to opt for a transdisciplinary second major (TSM) / second major (SM) on top of their major. TSMs are geared for particular talent needs in Hong Kong and prepare students to pool knowledge from different disciplines to excel in multiple careers, whereas SMs prepare students to gain in-depth knowledge from another discipline to complement the first major. This approach equips students not only for their careers, but also the future development of their respective fields.

Students can declare one of the following TSMs / SMs by the end of the first semester of their second year's study and commence the TSM / SM studies in Year 3. The following TSMs / SMs will be launched in the 2025/26 academic year.

## Transdisciplinary Second Majors

Cultural Industry Management

Creative Industry Management

Digital Entertainment

Interactive Media Publishing

Green Technology and Sustainability Management

Applied AI for Sustainable Society

Entrepreneurship and Innovation Management

## Second Majors

AI and Data Science

Testing Sciences

\* (1) Subject to the approval of the University Senate

(2) For students pursuing a TSM / SM, they are required to complete a minimum of 134 units.

# Student Sharing

# Special Admissions

## Alternative Chinese

For Non-Chinese Speaking students fulfilling one of the specified conditions, HKBU accepts the specified alternative Chinese language qualifications for meeting the entrance requirement for HKDSE Chinese Language. Please refer to our website for the list of alternative Chinese language qualifications and the conversion scale.

## Alternative English

The specified public examination results are recognised by the University as equivalent to Level 3 of HKDSE English. Please refer to our website for the list of specific public examination results.

## Special Consideration

JUPAS Band A applicants who fail to meet the general entrance requirements by one level in any one of the HKDSE subjects (except Citizenship and Social Development), but obtain a total of two \* s (either one subject with 5\*\* or 2 subjects with 5\*) or above in any subject(s) may also be considered for admission.

# Admissions Scores

## Subject Weightings and Score Calculation Method

The University adopts the “Best 5 (Any Best 5 Subjects)” score formulae for calculating applicants’ admissions scores.

Please refer to our website for the details of subject weightings.

### Score conversion for Category A subjects

Level	5**	5*	5	4	3	2	1
Score	7	6	5	4	3	2	1

### Score conversion for Category B subjects

Level	Attained with Distinction (II)	Attained with Distinction (I)
Score	4	3

### Score conversion for Category C subjects

## Reference Admissions Scores

Admission scores of past exercises are provided for reference only and should not be used to predict the chance of admission to any programmes in subsequent years.

## Score Calculator

Visit the JUPAS Score Calculator to simulate your admissions scores of HKBU programmes.

# General Entrance Requirements

APPLY  
NOW

## General Entrance Requirements for 2025 entry

Chinese Language	English Language	Mathematics	Citizenship and Social Development	Any TWO Elective Subjects
LEVEL 3	LEVEL 3	LEVEL 2	ATTAINED	LEVEL 3

- One of the elective subjects must be Category A subjects excluding Extended Part of Mathematics (Module 1 or Module 2). Another elective subject can be all Category A subjects including Extended Part of Mathematics (Module 1 or Module 2).
- Individual programmes may consider Category B subjects (Applied Learning) with "Attained with Distinction (I)" or above and/or Category C subjects (Other Languages) for fulfilment of the second elective subject requirement. Please refer to the programme entrance requirements of individual programmes for details.
- Category B subjects under the study area of "Applied Learning Chinese" are recognised as an alternative Chinese language qualification for non-Chinese speaking students. These subjects are not for fulfilment of the second elective subject requirement.

## Fee and Scholarships\*

### Tuition Fee for 2025/26

Local Students: HKD44,500

\*Subject to the University's annual review
